“ Ola Onabulé, the British-Nigerian, soul, jazz, singer-songwriter, gave an inspired and cool performance at the Royal Albert Hall in London this week. --Digital Journal (London) ”

UK-Nigerian singing sensation recently sold out Royal Albert Hall with Diana Krall!

CD release event at Minton's for *It's The Peace That Deafens* (Dot Time Records)

Ola Onabulé makes his U.S. premiere performance of the critically acclaimed new release "Its The Peace That Deafens" on November 6 at Minton's Harlem. Backed by the [Duane Eubanks Quartet](#), this one-night only appearance promises to shake the rafters! He has just completed a sold out run at Royal Albert Hall with [Diana Krall](#).

Minton's
November 6
206 W. 118th St.
Harlem, NY 10026
212-243-2222

Following up on his recent UK chart success with the re-mix of "Soul Town," Ola's new album *It's The Peace That Deafens* (Dot Time Records), is his 8th studio album and marks a departure from his previous two releases featuring a largely acoustic set uniting Jazz, Soul and world influences. The album contains 12 evocative songs about identity, reconciliation and nostalgia. Words, melodies and rhythms that walk a delicate tightrope of paradoxes, born of both a childhood and adulthood immersed in two disparate cultures, on two different continents and at two different times. Ola stated recently that "It's The Peace That Deafens" is as much a work of exploration as it is a declaration.
